WELCOME MESSAGE

Dear colleagues,

I am pleased to invite you to EPHAR's **8th European Congress of Pharmacology to be held July 5–9, 2020 in Prague, Czech Republic**. The year 2020 will be a special year for EPHAR, as we will celebrate our **30th anniversary**.

Therefore, the EPHAR 2020 congress will be a great opportunity to participate in an outstanding scientific congress and to commemorate EPHAR's achievements and activities in the charming city of Prague.

The EPHAR 2020 will bring together leading international experts that will provide a comprehensive update on the most recent results and progress in experimental and clinical pharmacology and their translation into regulatory science and clinical medicine.

Allow me to assure you that we will do our utmost to ensure that EPHAR 2020 will be both enlightening and enjoyable.

Prague "*City of a Hundred Spires*" has an extraordinary atmosphere that grew out of our incredible history of art, magnificent architecture, unique culture influenced by various styles that have appeared over the centuries and the tradition of enjoying the finer things in life. The city has hosted or has been a "beloved" place for famous personalities like J. Kepler, W. A. Mozart, R. Descartes, P. I. Tchaikovsky, A. Einstein, F. Kafka and many others.

I sincerely hope that you avail yourselves of this opportunity to experience the unrivalled ambience of our city.

We hope that EPHAR 2020 in Prague will become a memorable event both professionally and socially to all participants and we are looking forward to meeting you in person.

Let's meet in Prague in 2020 – your presence will be a key part in the event's success.
